

Guidelines for Recycling at UUCNH and Home

Recycling at UUCNH

As a church in Franklin Park Borough we are minimally required to have recycling programs for:

- High-grade office paper,
- Corrugated cardboard,
- Aluminum and bi-metal beverage cans,
- Plastic containers, and
- Glass

One of the Green Sanctuary team's projects will be to review the church procedures and better label items that go in each container to increase the effectiveness of our efforts.

Collection Events 2017

Household chemicals [details here](#) . NOTE ** All events 9am to 1pm

- May 6 (North Park Pool parking lot, Allegheny County)
- May 20 (Concurrent Technologies Corporation ETF Facility, Johnstown, Cambria County)

- Saturday May 6, 20, Jun. 3, 24, July 15, Aug. 19, Sept. 16, Oct. 14, 28, Nov. 18, Dec. 16
- 129 Ash Stop Road, Evans City, PA 16033 by appointment

Recycling at Home

The basics of home recycling:

- learn and follow the requirements of trash and recycling in your municipality,
- buy items that contain recycled content, can be recycled and don't contain hazardous contents,
- pay particular attention to properly recycling hazardous waste and electronics that contaminate our environment

Unfortunately, there is not one clear trash and recycling standard for our area in PA. But, there is one PA requirement. As of Jan. 2013, a disposal ban on covered electronic devices became effective in PA. This means you are not allowed to dispose of any electronic devices into your municipal solid waste.

Other than that one requirement each municipality does it differently. Some have no services or additional requirements. Some municipalities have permanent Electronic collection programs. Check [here](#) to see if yours is one them and get details. Some municipalities have permanent HHW collection programs. Check [here](#) to see if yours is one of them and get details.

Below, we have tried to map the zip codes of UUCNH members and friends to municipalities and provide links to some information that may be helpful. If the municipality has a permanent HHW and/or Electronic collection program, a Y is placed in that column. Please let us know if you find any errors or your municipality is missing.
