

Attendees – list at end of minutes

- April 2017 meeting minutes – motion to accept, seconded and approved by attendees
- Updates
  - Building Energy Audit - pending
  - Site Audit – work done by Peggy T and Sue B to rid border of parking of garlic mustard
  - Congregational survey – 41 responses so far. We will leave it up until end of the month.
  - Committee surveys - pending
  - Green tips – in process
  - UUCNH website – need to add “button” to quickly access Green Sanctuary content. Also reduce number of clicks to find GS content
  - “Our Place in the Web” – May 13<sup>th</sup>
    - Highlights – attendees felt it was valuable however that single day format is not ideal for congregation. Current feeling is that fall class offering to congregation will be 5 classes with break for homework to be done
    - June date – keep on 6/24
  - Earth Day service held April 30<sup>th</sup>, 2017 –
    - Recap – Rowan and Matt report lots of positive feedback.
    - Learnings
      - Sunday services felt we went too long and tried to pack too much in.
      - Suggestion to have environmental theme service each quarter
      - OOS paper reduction experiment is currently asking for feedback from the congregation. Group feels we should continue to try to meet the needs of the congregation and attempt to reduce our paper use.
  - Charter – Susie will distribute Bill’s latest formatting and other improvements and send to group for review and approval
- New Items
  - Fall explorations – ideas?!
    - Our Place in the Web series – Susie to speak with Steve Fuegi regarding scheduling

## Green Sanctuary Team Meeting

May 21st, 2017 9-10:10a

MINUTES

East room

---

- Speakers and/or Film - documentaries series – Susie asked group to bring ideas to next meeting for what to present and/or who to have in. Group likes idea of opening this up to community at large.
  - Green tips in action –
    - Rowan to work on kitchen and Friendship Hall recycling stations (based on LaRoche design)
    - Rowan suggests we post TED talk hand washing video link to encourage action on Green Tips
    - Maybe add something to quick Green Sanctuary link “What is your new Green practice for this month?”
  - Rebecca is eager to make a presentation regarding adding solar panels to our roof. Julie and Susie will work on a date to have a presentation (thought to be an after service event).
- Evaluate
